TIG POSTERS

WEDNESDAY, NOVEMBER 9 | 6:30 PM – 8:30 PM | ELITE HALL A

ADVOCACY AND POLICY CHANGE	
The promise of Course-based Undergraduate Research Experiences (CUREs) to reduce disparities	1
Partnerships and Power: Navigating Oppressive Systems in the Context of a Collaborative Evaluation of a Gender-Responsive Diversion Program	2
Movements, Coalitions, and Durable Policies – How Evaluators Can Better Understand the Current Advocacy Environment	3
Equity in Our Own Neighborhood: Building a Citizen Driven Methodology to Assess Race Equity in Local Government	4
Community-Driven Evaluation of Health Equity Policy Implementation: Lessons Learned from Washington State	5
ARTS, CULTURE, AND MUSEUMS	
The tale of two arts integration programs: Approaching similar programs through varied evaluation lenses	6
Evaluating an Arts-Based Social Justice Pilot Program	7
Mixed Methods Social Media Evaluation	8
ASSESSMENT IN HIGHER EDUCATION	
Reviewing and Revisiting the Practice of Student Evaluation: What do Grades Mean?	9
Need to Enhance Equitable University-Community Research Partnership through Evaluation: Processes, Challenges, and Strategies	10
Measuring Progress in DEI Work	11
Measurement models and measurement invariance: missing tools in the development of faculty teaching evaluation	12
BEHAVIORAL HEALTH	
Evaluation of Collegiate Recovery Supports in Washington State: The Value of a Continuum of Care for Students	13
Evaluation of a program promoting healthy behaviors in summer camps and impact on campers and counsellors	14
Pivoting Implementation Strategies to Increase Client Interview Rates	15
Centerstone's COVID-19 Emergency Response for Suicide Prevention Outcomes	16
Intergenerational Trauma Prevalence in Substance Use Disorder	17
CLUSTER, MULTI-SITE AND MULTI-LEVEL EVALUATION	
Multi-site Health Baseline Evaluation in Nigeria, Liberia and Sierra Leone	18
The Long Road to Recovery: A Multi-site Impact Evaluation of Disaster Recovery Programs in the US	19
COLLABORATIVE, PARTICIPATORY & EMPOWERMENT EVALUATION	
Breaking ground: lessons learned from the first Most Significant Change Evaluation in Iraq	20
The More, the Merrier!	21
Furthering Programmatic Equity through Community Participation and Collaboration in Evaluation	22
Proposal Development with Intention: Culturally-Responsive & Equitable Evaluation (CREE) and their Role in Strengthening Collaborative Evaluator and Stakeholder Partnerships	23
Using a Collaborative Evaluation Approach for Continuous Program Improvement and Health Equity Advancement	24
Advancing Equity in SNAP-Ed Evaluation	25
The REDI Barometer: A Participatory Tool for Assessing Respect, Equity, Diversity and Inclusion within a Team or Organization	26
How can a human rights-based approach make evaluation more equitable?	27
Using Feedback to Build Equitable Evidence of Program Impact	28
(Re)Shaping trauma-informed and equity-driven evaluation in virtual environments	29
Reshaping outcome measurement together: Methodologies for privileging provider and participant perspectives	30
Equitable, Inclusive and Localized approaches to evaluations in practice	31
Centering Racial Equity in Youth-Focused Evaluation Partnerships	32
Equity in the Age of Zoom: Conflict Resolution Strategies for Digital Conversations with Stakeholders	33
Engaging Stakeholders to (Re)shape Evaluation: Lessons Learned from Evaluation Design in Different Country Contexts	34
Re-thinking Local Collaboration for Evaluations in Africa and Latin America and the Caribbean	35
Talking with Pictures: Using Photovoice to Support Service and Evaluation	36
Facilitating Group Learning to (Re)shape Evaluation Practices	37
Participatory Research: Beyond Tokenism, Incorporating Lived Experience	38
How Transformational Energies are Dissipated in the Most Banal Ways — and How Strategic Learning Can Help	39

COLLABORATIVE, PARTICIPATORY & EMPOWERMENT EVALUATION (CONTINUED)	
A Journey in Virtual Community Conversations	40
Adopting Participatory Approaches: Lessons Learned from Evaluating Public Health Campaigns	41
Considerations to Implementing Respondent Driven Sampling	42
Model for Collaborative Evaluations and its connection to ethical measurement	43
Using Collaborative Evaluation to Identify Networks for Collective Commitment in School Improvement	44
Using Equitable Evaluation Methods to Gather Information from the Community to Address the Racial and Ethnic Disparities in the Juvenile Justice System	45
Navigating Contextual Challenges in Culturally Responsive Evaluation	46
Ethical infusion of the Collaboration Guiding Principles throughout the Model for Collaborative Evaluations	47
Using the MCE to Transform Food Service Operations	48
Digital Data Narratives for Collaborative Evaluation	49
Using Collaborative Evaluation to Build Reflective Practice	50
Imagination Requested: From Participatory Evaluations to Funding for Longer Term Initiatives for Increased Well Being, Equity, and Ecological Integrity	51
Building equilibrium through the collective: Why volunteer with evaluation networks?	52
Moving beyond transactional community engagement	53
COLLEGE ACCESS PROGRAMS	
Analyzing College Access Corps Efficacy in Michigan: Evidence from the Michigan College Access Network	54
COMMUNITY DEVELOPMENT	
Community Assets: Using technology tools to engage with community, inform economic development, and redefine program evaluation	55
Real Partnerships in Rural Places: What "Outsider" Evaluators Can Learn about Voice and Power	56
Utilizing Quality Improvement in Community Evaluations	57
Strategies for Community-Partnered Evaluation with Local Probation Administrators	58
Integrating Computer Literacy into Two – Generation Programing: Qualitative Insights from Latino Parents	59
COMMUNITY PSYCHOLOGY	
Examining and reshaping an evaluation project: The Nebraska Coalition Initiative to better serve survivors of sex-work and human trafficking	60
How Can We Better Assess Faith- and Values-based Programs Using a Principles-Focused Evaluation Framework to (re)Shape Evaluation?	61
COSTS, EFFECTIVENESS, BENEFITS, AND ECONOMICS	
Apples and Oranges: Comparing Costs of Two Different Modes of Professional Development	62
Bridging the divide: Fostering economic thought in evaluation practice	63
CRIME AND JUSTICE	
A Theory-Based Evaluation of an International Convention to Fight Corruption, Money Laundering, and Terrorist Financing	64
A Drug Court Program: Promoting Equity and Social Justice through Decolonized, Participant-Centered Services	65
Addressing Equity, Technology, and Funder Accountability: the National Evaluation of the MacArthur Foundation's Safety and Justice Challenge	66
Assessing the Impact of the George Floyd Protests on Policing Outcomes using Synthetic Control Methods	67
It's all about the community: A case study of rural reentry services in Southeast Arkansas	68
A mixed methods evaluation of British Columbia's Gang Intervention and Exiting Program	69
DATA VISUALIZATION AND REPORTING	
(Re) shaping Evaluation Reports: Building a Report Template in R Markdown	70
Lessons Learned on the Journey of Data Visualization	71
Using Data for Change: The Colorado Equity Compass	72
Leveraging Dashboards for Examining Equity and Data Reporting	73
Dismantling Structure with a Needle and Thread	74
IMPACT-ful Evaluation: Report Templating Using R Markdown	75
Story Catching, Story Telling and Story Weaving – How documentary film (narrative data) can be used to reimagine equity, social justice and decolonization within evaluation of Indigenous programs in remote Australia	76

TIG POSTERS

DEMOCRACY AND GOVERNANCE	
Most Significant Change (MSC): Tips and tricks to implementing in virtual/hybrid environments	77
Evaluating Political-Religion: What are the operational implications for development actors?	78
Thinking and Working Politically in Support of MERL: Lessons Learned from the Promoting Advocacy and Rights Program in Bangladesh	79
DESIGN AND ANALYSIS OF EXPERIMENTS	
Fun with Counterfactuals	80
Challenges and opportunities in the design of a quantitative impact evaluation	81
DISABILITIES AND UNDERREPRESENTED POPULATIONS	
Using Evaluation to Broaden STEM Participation Through Inclusive Design and Reporting	82
Creating Accessible Evaluations: Making Your Evaluation Accessible for Individuals with Disabilities	83
A Path Towards Inclusion: Obtaining Multiple Perspectives to Guide Principles Around Diversity and Culture in Evaluation	84
How Can Social Networking Support Equitable Services to Caregivers Utilizing Collaborative Evaluations	85
DISASTER & EMERGENCY MANAGEMENT EVALUATION	
Where we might better serve: Using publicly available data to pinpoint vulnerable populations	86
Evaluating Case Investigation and Contact Tracing Gaps, Challenges, and Effectiveness During COVID-19	251
ENVIRONMENTAL PROGRAM EVALUATION	
The Nature of Learning: Evaluating Outdoor and Environmental Education Programs	87
On asking: What about climate change?	88
EVALUATION MANAGERS AND SUPERVISORS	
Project Management Principles: Time Management for Evaluation Projects	89
Importance of Planning in M&E	90
EVALUATION POLICY	
Grant Requirement Burdens on a Low-Barrier Urban Indian Organization Providing Medications for Opioid Use Disorder among a Diverse Urban Community	91
EXTENSION EDUCATION EVALUATION	
Developmental Evaluation in Practice: Case Study of Cooperative Extension's EXCITE Project	92
Accessibility and Inclusion Efforts in Extension Nutrition Education Evaluation: Roadblocks and Inroads	93
Re-evaluating how we evaluate technology-related professional development opportunities	94
Data input in a Snap: Snap Surveys as a Data Management Tool	95
GRADUATE STUDENT AND NEW EVALUATORS	
Improving Graduate Student Engagement: A Needs Assessment of a Student-Run Organization	96
Let's Get Sentimental: Machine Learning Aided Data Analysis for Large Qualitative Data Sets	97
Black Boy Joy: Developing an Evaluation Plan for Wrap-Around Services for Black Families Aimed at Disrupting the School to Prison Pipeline for Black Males	98
The 10 Guidelines of the New Evaluator	99
Evaluation of implementors of Critical Thinking Assessment Test (CAT) Instrument	100
HEALTH EVALUATION	
Power in Representation: Tips and Traps in Hosting an Evaluation Advisory Group in a Food Systems Organization Evaluation	101
Shaping Evaluation to Address Global Tobacco Control During the COVID-19 Pandemic	102
Public Health AmeriCorps: Developing a Framework for a Multi-Tiered Evaluation	103
Collecting Self-Reports of Sensitive Behaviors, Experiences, and Attitudes: Is Electronic Data Collection Increasing or Decreasing Validity?	104
The Future of Teen Pregnancy Prevention Evaluation: What are the Right Outcomes?	105
Developing Brief, Scalable Surveys to Measure Knowledge and Confidence: Experiences from the EmPOWERED to Serve Health Lessons Evaluation	106
Developing Adaptive Evaluation Strategies to Serve Prevention Health Programs Operating During the COVID-19 Pandemic	107
Assessing Impact in the Hospital Improvement Innovation Network (HIIN) 2.0 Initiative	108
HEALTH PROFESSIONS EDUCATION EVALUATION AND RESEARCH	
The Impact of Kindness in Rural Health Education	109
Reimagining Laboratory Rotations: Rubrics and Self-Reflection to Support Student Outcomes	110
Understanding Kindness in Medicine	111

HUMAN SERVICES EVALUATION	
Getting to bullseye: Maintaining evaluation rigor while accommodating clients' changing needs	112
The Right to Thrive: Supportive Housing to Promote the Well-Being of Families Involved with the Child Welfare System	113
Reflexivity and Power: Exploring the Future of Evaluation Practice	114
Evaluating Culturally-Tailored Digital Outreach for Communities at risk of Adverse Childhood Experiences in CA: United Ways of California's Trusted Messengers Earned Income Tax Credit Program	115
INDIGENOUS PEOPLES IN EVALUATION	
Deconstructing Euro-western methodologies of program evaluation to support an Indigenous initiative honoring Indigenous voices, experiences, and understandings	116
Decolonizing evaluation in First Nations communities: How do we (re)shape evaluation to incorporate Indigenous ways of knowing?	117
Decolonising Evaluation in Africa – some uncomfortable truth	118
Co-Designing the Preschool Development Grant Indigenous Evaluation: Decolonizing evaluation with Indigenous Grantees	119
INTEGRATING TECHNOLOGY INTO EVALUATION	
#Scamdemic: Examining Online Misinformation and Counter-misinformation Related to the COVID-19 Pandemic and Vaccine Rollout	120
INTERNAL EVALUATION	
Managing Multiple Stakeholders in Evaluation of Internal Programs	121
The Ethical Sensitivity: Internal Evaluators of Technological Junior Colleges and Universities in Taiwan	122
Evaluating Social Justice Dispositions in Educator Preparation	123
Enhanced Internal Evaluation Capacity and More Efficient Application of External Evaluation	124
INTERNATIONAL AND CROSS CULTURAL EVALUATION	
Longitudinal Clustering Evaluation Sample and Cross-sectional Stratified Implementation Sample in One Project: Interpretations, Challenges, and Cautions	125
(re)shaping evaluation through trauma-informed data collection efforts	126
Participatory MEL Systems for Complex Adaptive Programs	127
Evaluation of routine data management: What are the challenges in the face of digital development and their consequences on the monitoring and evaluation of health projects and programs?	128
Evaluation as absence in the morphostasis of Caribbean education systems – the case of Trinidad and Tobago	129
Emerging Monitoring and Evaluation in a Tech-Enabled World: Applied computer cloud based computing and digital data collection for CAST Project in Cambodia	130
Using Outcome Mapping Tools to Structure Reflection and Learning Opportunities in a Large, Multi-National Development Project	131
Green light out of poverty; Applying the Poverty Stoplight for participant directed programing and measurement of success	132
Data collection tool or program intervention? The dual role of digital technologies in an international context	133
Navigating Complexities: Reshaping Development Evaluation in the Global South to Foster Human and National Development	134
The Practice and Culture of Evaluating Official Development Assistance (ODA) in Korea	135
LATINX RESPONSIVE EVALUATION DISCOURSE	
Transforming Evaluation from the Inside Out: The Case of Centro Hispano of Dane County	136
LEADERSHIP AND ORGANIZATIONAL PERFORMANCE	
Evaluating organizational performance for equity and inclusion in higher education admissions	137
The mechanics of a psychometrically sound approach to assessing and promoting the wellness, functioning, and equity within prison culture	138
Sustaining Collective Action and Impact	139
LESBIAN, GAY BISEXUAL AND TRANSGENDER ISSUES	
Evaluating Empathy, Efficacy, and Advocacy in LGBTQ+ Allyship Training: Collaboration, Conflict, and Cultural Consciousness	140
Reflecting on LGBTQ+ Language in Evaluation Practice: An Interactive Discussion	141
MIXED METHODS EVALUATION	
Using qualitative and quantitative application materials in understanding volunteer attrition	142
Application of Neuroscience Method in Evaluation Assignments – A Practical Approach to Integrate Emerging Methodologies	143
The Power of Mixed-Methods to Evaluate the Implementation of School-Based, Social-Emotional Learning Interventions	144
Bringing Remote Sensing Data into Impact Evaluation – Why, When, and How – A Practical Hands-On Workshop for Evaluators	145
Rapid Insight Cycles: Generating actionable insights 'on-the-run' for equity focused decision-making at policy and operational levels	146
Barriers, Needs, and Facilitators to Conducting Clinical and Translational Research (CTR) in Oklahoma – A Sequential Exploratory Mixed Method Study	147
The Convergence of Monitoring Methods and Evaluation Methods in International Assistance	148

TIG POSTERS

MULTIETHNIC ISSUES IN EVALUATION	
Shaping Evaluation through Culturally Informed Approaches – A Consideration of the Inclusive Sampling Approach for the Global South	149
What are the Implications of Equity and Social Justice on Evaluation Theory and Practice with Multiethnic Groups?	150
Intentional Language in DEI: An Ongoing Conversation	151
Evaluating reconciliation and peacebuilding initiatives during a highly volatile health and political environment	152
NONPROFIT AND FOUNDATIONS	
Jumpstarting Evaluation Culture in Non-Profits	153
Training to Punch Above Our Weight: A Collective Investigation by Small Organizations in How to Keep Up with Evaluative Requirements and Advancing Technology	154
Implications and "Bright Stars" of Collective Work Focused on Equity and Social Justice in Out-of-School Time Spaces	155
(Re)shaping evaluation together with foundation partners: Lessons from two pilot projects	156
Trust-Based Philanthropy + Results-Based Accountability = Oxymoron or Match Made in Heaven?	157
Non-Profit Digital Capacity Building in the "Impact Era": One Size Does Not Fit All	158
Understanding the Nonprofit Industrial Complex and Nonprofit's Attitudes Toward Evaluation to Reorient Evaluation as a Tool for Social Change	159
Using Technology and Teamwork to Solve Real-World Problems: Navigating Partner Dynamics in Community-Engaged Evaluation	160
Using PowerMoves for a Foundation's Equity Assessment	161
Addressing health equity through public-private partnership: The role of evaluation	162
Learning Councils: Prioritizing Grantee Voice in Evaluation	163
Building and scaling digital data collection for outcome measurement: Taking a people-centered approach in a federated network	164
Breaking the (TOC) mold: How funders can revisit theories of change to gain clarity and relevance	165
Diving Deep on Equity: Using the Iceberg Model and Trust-Based Principles to Explore Shifts in Philanthropic and Evaluative Practice	166
ORGANIZATIONAL LEARNING & EVALUATION CAPACITY BUILDING	
Going slow to go fast: Embedding equity principles in a rapid learning process	167
Studying Experiential Learning	168
Navigating the Waters of Developmental Evaluation: Tools and Practices from the Field	169
Diversity, Equity, Inclusion and Belonging: Applications to the practice of doing research	170
Continuously Improving Continuous Improvement	171
Engaging the Partner in the Evaluation and Beyond: Lessons Learned from the Prevent Abuse of Children Text and Chat Hotline	172
Organizational Training in Equity Centered Methodology	173
Intersection of Evaluation and Strategic Planning: Implications for Professional Practice	174
Breaking the Funding Resource Trap: Supporting Undercapitalized Nonprofits on Their Journey to Evidence	175
What do you know? Making Knowledge Generation and Sharing Central to Transforming Evaluation Systems	176
Essential Evaluation Tasks: A Framework for Guiding Evaluation Capacity Building in the Context of the National Science Foundation's Advanced Technological Education Program	177
Developing evaluation capacities using systems theory	178
Promoting Evaluation Capacity Building in Tanzanian Public Health Organization	179
PREK-12 EDUCATIONAL EVALUATION	
A Case Study of Teachers' Use of an Online Homework Tool During In-Person and Remote Instruction	180
Can you see my screen? Leveraging virtual tools for accessible community-based evaluation	181
How NOT to Use Assessment Data in Evaluation	182
Sync, Speed & Scale: Three Lessons from Evaluating in Big Tech	183
Evaluating kindness education: using data to inform innovative K-12 programming	184
A Switched-Replication Study of the Future Forward Literacy Program: Desgning Programs and Impact Studies that Avoid Taking Advantage of Underserved Communities	185
Building Capacity to Implement Equity-Focused Continuous Improvement in the Most Challenged Schools	186
Exploring Longitudinal Data in the Wake of the COVID-19 Pandemic: The Effect on Early Career Teachers' Overall Morale	187

PROGRAM DESIGN	
Co-designing of programs with local partners: How to we measure success?	188
Pandemic Response Through Developmental Evaluation: Standing up a Network to Equitably Raise COVID-19 Vaccination Rates	189
Hand-Me-Down Evaluations: Discussing the Ethics and Practice of Working with Secondhand Designs and Leftover Logic Models	190
Addressing Challenges of Low Budget Absorption of Donor Funded Projects at the Ministry of Health (MoH)	191
Understanding community needs and services related to Intimate Partner Violence and HIV prevention	192
Shaping the Future of Evaluation in Program Design and Diffusion: Evidenced-based Teen Pregnancy Prevention	193
PROGRAM THEORY AND THEORY-DRIVEN EVALUATION	
Approach and Experiences in West Africa Conducting Realist Evaluations of Social and Behavior Change Interventions: Co-building Conceptual and Practical Understandings for Program Impact	194
A Contribution Analysis Study of FCDO Pakistan's Khyber Pakhtunkhwa Education Sector Programme (KESP)	195
Educational Equity in Somalia — (Re) shaping Evaluation to Inform Policy	196
Using Process Evaluations to Evaluate Innovate Social Programs	197
QUALITATIVE METHODS	
Structured purpose: Implementing Python in Purposive Sample Selection for Evaluation Interviews	198
QUANTITATIVE METHODS: THEORY AND DESIGN	
Challenges and Solutions for Comparison Group Identification: Evaluating a College Readiness Program in Hawai‘i	199
DAGs for Evaluation: An Approach to Identifying the Sufficient Set	200
Application of Latent Class Analysis for Adverse Youth Outcomes Transitioning Out of Foster Care and Early Risk Factors	201
RESEARCH ON EVALUATION	
Evaluators Not Included: Evaluator Exclusion in the Program Planning and Design Phase	202
Getting the Word Out: Translating Findings from Research on Evaluation	203
What Contribution the Jordanian Evaluation Association Offers to Evaluation Capacity Building? The Case of EvalJordan	204
WISDOM IN SWAHILI PROVERBS INSPIRING DEMOCRATIC EVALUATION PRACTISES	205
Exploring the Interconnections between Evaluation and Data Science Domains of Inquiry	206
Reshaping our practice: Examining evaluative thinking styles and ways of knowing in evaluation	207
Researching the use of AEA Evaluator Competencies: A case study applying a cognitive complexity framework to design syllabi for evaluator professionalization	208
RESEARCH, TECHNOLOGY & DEVELOPMENT EVALUATION	
Using Evaluation to Prospectively Plan the Implementation of a National Institutes of Health (NIH) Policy to Manage and Share Scientific Data	209
Enhancing evaluation outcomes with geospatial analysis and visualization	210
Implementing Large-scale Online Surveys: Tips on Content Development, Survey Distribution, and Fraud Identification	211
Determining researcher areas of expertise	212
Reshaping the evaluation framework for analyzing the process of outcomes in R&D programs	213
Controlled re-shaping of R&D collaboration schemes in response to the project's transition	214
An Evaluation of the Bioinformatics Resource Centers (BRCs) of the National Institute of Allergy and Infectious Diseases (NIAID)	215
SOCIAL NETWORK ANALYSIS	
Ideas and Examples for Incorporating SNA into the Cycle of Program Evaluation	216
STEM EDUCATION AND TRAINING	
Successes and lessons from a 9th and 10th grade Native American virtual pilot: Engaging students through culturally relevant exposure to science	217
Methods for Evaluating Equity in STEM Graduate Education	218
Can external evaluators be evaluation “partners?”: Challenges and strategies in federal STEM projects	219
Let’s Jam! Visual Ideation Exercises for Online Student Focus Groups in STEM Education	220
Learning with Learners: Culturally Responsive Evaluation of Culturally Responsive STEM Teaching and Learning Across Higher Education Contexts	221
No In-person Training, No Problem! An Evaluation of a Virtual Public Health Training Series for Middle and High School Educators	222
Community College Students’ Sense of Science Identity in a Summer Research Experience: Incorporating Storytelling into Mixed-Methods Program Evaluation	223

TIG POSTERS

SYSTEMS IN EVALUATION	
Defining and Measuring Impact When Working with Systems and Partners to Solve Development Challenges	224
What do Systems Change and Transformation Mean for Evaluation?: Findings from an Inter-disciplinary Literature Review	225
Equitable Evaluations Through Systems Thinking and Community Engagement	226
TEACHING OF EVALUATION	
Standing Back Before Stepping In: Applying Mindfulness to Evaluation Practice	227
Showcasing Emerging Scholarship: Exploring the Portfolio Dissertation for an Evaluation Doctorate	228
Building capacity for development evaluation in Tanzania: Early lessons from Project BUCADE	229
Education to (re) shape Evaluation	230
Training Future Generations of Evaluators: The Need to Incorporate Emerging Voices	231
Teaching Culturally Responsive Equitable Evaluation Online: Faculty and Student Perspectives	232
THEORIES OF EVALUATION	
(Re)Shaping Meta-Evaluation Together	233
TRANSLATIONAL RESEARCH EVALUATION	
A Longitudinal Examination of Researcher Needs from a Center for Clinical and Translational Research	234
Applying the Translational Science Benefits Model (TSBM): A mixed methods approach to CTSA evaluation	235
Dashboard Refinement: The Barriers and Solutions to Effective Data Visualization	236
Engaging Service Users with Semi-Structured Interviews to Illustrate Impact with Qualitative Data	237
UNIVERSITY-BASED CENTERS	
Walking the tightrope: Elevating underrepresented voices through evaluation	238
Exploring the Benefits of Evaluator and Researcher Collaboration: Promising Partnerships in the Evaluation of a University-based Induction Program	239
Campus Resilience Index (CRI): Measuring systems of support to help students thrive	240
USE AND INFLUENCE OF EVALUATION	
Not Your Grandmother's Logic Model: Centering People Before Process	241
Evaluating the Use of Online Data Sharing Platforms	242
Two independent evaluators help grant-maker and grantee shape evaluation use and incidence together	243
Of fishes and bicycles: using theories and prospective methods for evidence-based recommendations – Thinking aloud about strengthening the empirical and theoretical foundation of recommendations in evaluations	244
Evaluators Caught Between two Stools? Dealing with Hostilities From Right-Wing Actors	245
YOUTH FOCUSED EVALUATION	
Strategies for Engaging Youth In Virtual Evaluations: Creating collaborative digital spaces for youth in evaluations	246
Amplifying Youth Voice: Moving Beyond Tokenism in Youth Serving Organizations	247
Reshaping attribution: Fuzzy-set qualitative comparative analysis for youth development program evaluation	248
Shifting Power to Youth: Learning to Trust Youth Capabilities and Move from Engagement to Empowerment in Evaluation	249
Pathways to (re)shaping evaluation practice in Senegal through the promotion of young and emerging evaluators	250
